After evaluating the tax positions taken, none are considered to be uncertain, therefore, no amounts have been recognized as of June 30, 2015. If incurred, interest and penalties associated with tax positions are recorded in the period assessed as general and administrative expense. Supplemental Information. Provide the information required in Part I, line 2, Part III, column (b), and any other additional information.

Return Reference	Explanation
Part I, Line 2	The grant-making department manages the solicitation, review and award of grants to applicant organizations. The grant-making department requires documentation of exempt or tribal government status, a budget and narrative of the grantee's proposal and other relevant information. A First Nations committee reviews applications for consistency with First Nations' program objectives and other factors. Terms and conditions of each grant are documented and signed both by First Nations and the grantee. The terms and conditions require programmatic and financial reports from the grantee. The grant-making department monitors compliance with grant terms and conditions, including timely receipt of required reports. Normally grant funds are disbursed in multiple payments. Initial payment follows receipt of signed terms and conditions, and subsequent payments are held until required reports are received, often halfway through and at the end of the grant period.
