because it destroys the potential for asset-building that is needed to

bring economic security to Indian families and communities. First

Nations' research has demonstrated that predatory lending is stripping

in Indian Country include best practices to combat abusive lending and

prevent the bleeding of assets from Native communities.

Expenses \$ 16,031. including grants of \$ 0. Revenue \$ 0.

strategies and models to help communities understand, create and

control the way in which Native assets are valued, as well as the

decision-making process in deciding whether to monetize those assets.
